

CITY TRUSTEES MET MONDAY

At the request of the city trustees J. A. Rose, superintendent of the fire department, was present at the meeting Monday evening to devise some way by which the gates at the firehouses could be operated to serve the public better. Trustee Tuchsien explained how the gates were operated to the detriment of traffic. Mr. Rose promised that the service would be improved. Trustee Ryan called Mr. Rose's attention to the system practiced at Palo Alto and stated that if Redwood City were given the same service there would be no complaint. Mr. Rose explained that owing to the location of the fire sheds, also the methods of handling baggage and express, it would be impossible to give the same service here, but he informed the board that he would look into the matter and make a change.

Finance permits were granted as follows:

Foresters' Hall Association—January 15 and February 5, 3 o'clock.

Court Madrone, Foresters of America—January 28, 3 o'clock.

The matter of 3 o'clock dances brought out considerable discussion. Trustee Tuchsien spoke of the evil of the late dance and said that he had seen no good derived from them. Young people would dance until 12 o'clock, go out to supper and instead of returning to the dance hall would stroll out in the park. If the dance closed at 12 o'clock this state of affairs would be greatly reduced. The board agreed to grant permits after February 5 later than 1 a. m.

The Pioneer Rubber Company requested that the city certify check deposited with the clerk when the board accepted its bid to furnish the city with 500 feet of fire hose. Chief Ryan informed the board that the hose was not satisfactory and recommended that the city hold the check until the company shall have corrected the defects.

The Acme Gas and Electric Company asked for permission to set poles on Hancock street to supply current to E. Genesee, also in Wellesley Park to supply service to C. M. Dixon. Both permits were granted. After allowing the claims the board adjourned until Monday evening, when it will meet with the Redwood City Water Company to decide on a contract for water service.

It is understood that the company will ask for an increase, but it is very doubtful whether it will be allowed. The rates were increased from 7 1/2 cents per 1,000 to 12 1/2 cents and the board feels that this is ample.

The list of claims and the report of the treasurer will appear in the next issue.

OUR LOVING FRIENDS

"Well, old man, how did Santa Claus treat you?" "He got me a pair of gloves I don't get on, a carton of cigarettes that I don't smoke, a pipe with a stem that doesn't fit my teeth, a pair of purple hose, a half dozen handkerchiefs with the wrong initial, three shirts to fit a boy of 14 and some opera tickets by mail for a show that came off a week ago. Yes; and my little nephew gave me a ball of popcorn. The popcorn was all right."

CHECK PASSER ADMITTED TO PROBATION

Lucille Hendrickson, charged with passing two spurious checks at San Mateo and Burlingame on December 22 last, was admitted to probation for a period of six months by Judge Buck on Thursday afternoon. Her attorney, Albert Mansfield, said that the checks were for small amounts and the purchases made by means of the checks were returned. Mr. Mansfield said another woman was in the case who aided and abetted the defendant in the crime. It was explained by the district attorney that the defendant was also charged with committing a similar crime at San Jose and that a warrant for her arrest was ready to be served. The lady denied that she had passed any checks in San Jose, explaining that she was never in that city.

The husband of the fair defendant, who is very pretty and only 19, was in court escorted his wife from the courthouse.

A warrant was served on her and she was taken to the Garden City.

BROWN RANCH NEAR COLMA SOLD TO ERNESTO BARSOTTI

The valuable ranch property of Mrs. James Henderson, formerly Mrs. Henry Ward Brown, located in the beautiful San Pedro valley near Colma, was sold this week to Ernesto Barsotti of San Francisco. The ranch contains 139 acres of fertile arid land, well watered and having a rich soil. The sum of \$40,000 was paid for the choice realty. Mrs. Henderson inherited the property from her mother, on Thursday, McCullough. The ranch is one of the best known in the county and one of the largest that has taken place in that section for some years.

LAWYERS' UNION OBJECTS TO SCAB LAWYERS

The Bar Association of San Mateo County was banqueted at the Saddle Creek restaurant on Thursday by George C. Ross, president of the organization. Besides the lawyers, County Clerk E. M. Nash and her deputy, Miss E. M. Falvey, were present.

The attorneys discussed the question of securing more books for the law library at the court house. The supply there is inadequate for the big demand of the lawyers. A big supply was adopted by the disciples of Blackstone.

The following resolution was unanimously adopted after considerable discussion of the matter:

"Whereas the state bar association at its last session held in the city of Santa Cruz on the 25th day of September, 1920, recommended the adoption by the legislature of this state of a bill prepared by it entitled 'Unlawful Practice of the Law'; and 'Whereas, said proposed bill has been endorsed by several bar associations and many attorneys of this state and this association approves the same;

"Now, therefore, Resolved, that this San Mateo County Bar Association does hereby endorse said bill and recommend its adoption by the legislature and the approval thereof by the governor of this state; and

"Resolved, that the secretary of this association be, and he is requested, to transmit copies of these resolutions to the members of the legislature from this county and the presidents of the state bar association and San Francisco Bar Association."

TONY VERGOS FREED OF BURGLARY CHARGE

THE WEEK'S EVENTS IN LOCAL CIRCLES

There is a rumor current that the Southern Pacific Railroad Company has purchased a controlling interest in the Pacific Rapid Transit Company. It is further stated that the daytime service will be curtailed and that instead of a bus being run every twenty minutes, half hour buses will be run. We cannot vouch for any of the above, but from the persistence of the story we feel constrained to give it.

Our old friend Pat Foley is playing in hard luck these days. On the night before Christmas a local business man bumped him and broke his gasoline pump. On Tuesday night he had to move all of his supplies out on the street because of the close proximity of a raging conflagration. Yesterday morning a real estate man who makes his living in San Francisco and his home in Redwood City was in a hurry to catch his train, so tried to go right through the front wall instead of the front door of Pat's garage. Pat philosophically remarks that they can do their darndest, he's going to get a new pump tomorrow.

Last Sunday was a banner day for the local Congregational church. The regular bi-monthly communion service was held in the morning and to start the year right eight members, four men and four women, were taken into membership. At the evening service Rev. Oliver Lassure, the chaplain of San Quentin, gave a most interesting talk on the work he is doing in the state penitentiary. Chaplain Lassure was in the government service during the war and has a fund of information and anecdotes which lived his remarks. At the conclusion of his address a collection was taken and presented to the chaplain so that he could purchase a fine balaclava which he wished to use in the work with the women prisoners at San Quentin.

Ludwig Werder is here from Borsolva spending a few days with his parents. He came back with his brother Ernest, who has been visiting him.

Redwood City had one of the hottest fires Tuesday night that has ever visited here. At 10:30 an alarm from box 16 was rung in and on responding the fire department found the Peninsula Garage on fire. The south end of the structure, where several tractors and plows had been stored, was a seething mass of fire. As the place contained both gas and oil there was no chance to save the building. The fire was extinguished by the fire department. A number of automobiles stored in the garage were damaged. The structure was owned by Mr. Ross of Emerald Lake, a Ford owned by Walter Hilton and a motorcycle belonging to Walter Pearce were burned. That no damage was done to surrounding property is due to the good work of Chief Mark E. Ryan and his men, as a high wind was blowing and the flames were exceptionally hot. The burned building was owned by Mrs. Bruner of San Francisco and was leased by William T. Chubbick. The tractors and plows were the property of Rogers & Palmer and were insured by Mr. Chubbick's loss was partially covered by insurance. Mr. Chubbick states that he will at once commence the construction of a concrete fireproof garage on the property.

Miss Mary Curtis, a charming young lady of this city, was united in marriage last Saturday in San Francisco with Mr. G. Reid. Mrs. Reid was born and raised in this city. She attended the local high school and she entered the San Francisco county hospital two years ago to train for nursing. Mr. Reid is a driver for the Pacific Rapid Transit Company and estimates his most estimable home on the coast.

Mr. and Mrs. L. P. Behrens returned to Redwood City last Saturday, a very pleasant visit of two weeks with their son-in-law and daughter, Mr. and Mrs. Frank Allen. They found the young people in the best of health and delighted with their home in Washington.

Mrs. Newell Ferguson, who has been visiting her parents in Minneapolis for the past two months, returned to Redwood City last Saturday. Mrs. Ferguson has a pleasant visit at home and though she has resided here only seven months is a thorough Californian and is glad to be back amid the sunshine and flowers.

Mrs. Norman McKenzie returned this week from Battle Creek, Mich., after having spent two very pleasant months with her parents. Mrs. McKenzie saw some very severe weather in Michigan and says that the warm California winter days feel good to her.

Court Madrone No. 158, Foresters of America, installed officers for the coming term at a largely attended meeting Wednesday night. At the conclusion of the installation service a banquet was served and a number of interesting talks were given.

Two new homes are being built in block 4, Dinglee Park. One is on Hopkins avenue and the other on Arch street. They will both be five-room bungalows with a good garden. The tract is owned by Redwood City Highlands.

The Frank tannery resumed operations last Monday after having been closed ten days for stock taking. Mr. and Mrs. J. J. Bullock and daughter were hosts at one of the most elaborate New Year's eve celebrations which took place last Friday evening. The home was artistically decorated by the well known interior decorators, Lott & Henry. Various instruments of noise were provided for the guests. A delicious supper was served shortly after midnight, after which dancing continued well into the new year. Many of the guests motored up from San Francisco and Oakland.

Mr. and Mrs. J. L. Strang left on a motor trip to San Diego on Monday last. They will be gone for some time. Mr. Strang is engaged in the building business there.

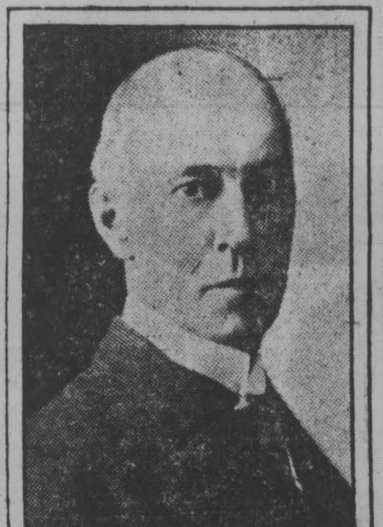

SENATOR SHORTRIDGE THOROUGH IN EVERY DETAIL, SAYS COURT

Last Monday there was a damage suit tried before Judge Buck in the superior court that brought out some ancient history. Plaintiff, a lady residing in Daly City, was endeavoring to secure damages in the sum of \$200 for the loss of her shade trees in the front of her home, alleged to have been cut down by a splinter neighbor. A young attorney from San Francisco appeared for the plaintiff. It was his first case. He came into court wholly unprepared. He had hardly no evidence to present to the court and what little he did have was poorly presented.

Judge Buck saw the predicament of the young lawyer. He coached him as far as possible, but finally the young man gave up the fight and at the suggestion of the court asked for a dismissal of the action.

Judge Buck gave the young man a fatherly talk and in a kind and gentle manner urged him to always prepare his case before he came into court. "A case well prepared is a case half won," declared the judge.

Judge Buck recalled the first case tried by United States senator-elect Samuel M. Shortridge, in which action he was associated. He said he was so impressed with the thoroughness with which Mr. Shortridge had prepared his case that he never forgot it. He declared that Mr. Shortridge's

SENATOR SAMUEL M. SHORTRIDGE success in the practice of the law was due to his thoroughness.

The case referred to by Judge Buck was the damage suit of Enrico Dellmaria and wife, against the late John H. Sears, filed in the superior court of this county on August 10, 1885. Mr. Shortridge had only been recently admitted to the bar and this was practically his first case. His associates in the suit were George H. Buck, who was then district attorney of the county, and Franklin P. Bull, a prominent attorney from Oakland. The defendant building, San Francisco. The defendant was represented by Judge E. F. Fitzpatrick and the late George E. Filkins. The action was before the court on July 1, 1891. The plaintiff drew the complaint, which was written in his own hand. It was a model of legal verbiage, as were the other papers in the action. Every detail was attended to by the young man. He was the only one who prepared the suit that it never came to trial but was settled out of court and was dismissed five years afterward.

The complaint alleged that Mr. Sears while driving home on horseback on July 11, 1885, negligently pushed Mr. and Mrs. Dellmaria and their child, who were in a buggy, over the embankment near La Honda, the home of Mr. Sears. The occupants were severely injured.

The damage suit caused a sensation at that time and was talked of a great deal by the people of the county and particularly in the home of Mr. Sears, being one of the best known men in this section of the state.

Young attorneys starting out in practice should take a lesson from this incident and follow the example of California's senator-elect, Samuel M. Shortridge.

WHAT DO YOU KNOW ABOUT INCOME TAXES?

What was your income last year? An answer to this question is required by the government for every single person (man, woman or child) in the United States whose net income for last year was \$1,000 or more, and from every married person whose net income was \$2,000 or more. Heavy penalties are provided by the revenue act for those who fail or wilfully refuse to comply.

The period for filing returns for the calendar year 1920 is from January 1 to March 1, 1921. The bureau of internal revenue estimates that within this period there will be filed 4,000,000 individual income tax returns. It is certain a percentage of these returns will be incorrect, not because of dishonest intent on the part of the taxpayer but because of error in making out the forms. Erroneous interpretation of the law and regulations governing the collection of the income tax and carelessness cause numerous mistakes and result in the initial assessment and collection of considerably greater or lesser amounts than are actually due. Frequently these mistakes result in overpayment, return of which is made upon a claim for refund. Where, on verification and audit, underpayments are made, taxpayers as a rule are prepared promptly to amend their returns and pay the additional tax due. In either event there is trouble for both the taxpayer and the government.

DRILLING FOR OIL AT SAN GREGORIO

The secret drilling of an oil well in the San Gregorio district has been going on for the past eight months. A group of oil experts have been carrying on experiments and investigation as to the presence of oil in paying quantities and it has been discovered that wells have not been put down deep enough to strike the main flow. All wells in the district have not been drilled for more than about 900 feet and one of them, abandoned at this depth, has struck the second oil sand stratum. A new company with offices in San Francisco has been formed, which, according to information available, will start sinking wells to a depth of 2,600 feet. The exact location of the new wells is to be kept secret. The district which promises to yield oil in paying quantities covers several thousand acres and lies between La Honda and Halfmoon Bay.

Campbell, who is only a young boy, was given 20 days. Both came to Redwood City from San Francisco.

R. Hirabayashi, who collided his machine with the machines of F. E. Lewis and Thomas Stuart at the corner of Broadway street and the state highway last Monday, had his hearing before Justice Griffin on Thursday afternoon. After the ceremony a wedding supper was enjoyed in a local cafe. Later in the evening a reception was held at the home of the wise bride's cousin, Mrs. Joseph Dickey. The charming bride is a niece of the late John Green, a pioneer of Redwood City, and a cousin of Mrs. Joseph Dickey and Mrs. Thomas Branson of San Mateo. The bridegroom is a prominent young business man of the city.

COUNTY BOARD IN REGULAR SESSION

The board of supervisors met in regular session Monday, January 3. Charles Steele of Pescadero submitted his resignation as county traffic officer for the fifth township and the same was accepted, on motion of Thompson, seconded by Hickey.

A communication was received from the county social service commission recommending that the salary of the matron of the county clinic at Redwood City be increased from \$75 to \$90 a month. The recommendation was accepted on motion of Hickey, seconded by Thompson.

The social service commission submitted a report showing the expenditures of the juvenile home, operating under the supervision of the county juvenile court, for the month of December, 1920, amounting to \$194.92. The report was accepted on motion of Hickey, seconded by Thompson.

The report of the San Mateo County social service commission was also received, showing the amount of its expenditures for December. Mrs. Nash, the clerk, read a telegram signed by the South San Francisco Manufacturers' Association, the chamber of commerce of the city, the Bank of South San Francisco and the South San Francisco Land and Improvement Company, protesting against the awarding of any contracts for the building of the new county hospital on account of the uncertainty of building conditions at this time. Mrs. Nash explained that the telegram was received after the special meeting of the board of supervisors of Tuesday, December 28, when action had already been taken by the board to reject all of the bids.

Mrs. Nash was instructed to write the above organizations and explain the circumstances to them. A communication was received from Mrs. T. S. Frost of Colma, complaining about the hog ranch condition on Seol street, on which her property is located.

Supervisor Hickey addressed the board in the matter of the Colma hog ranch situation, stating that he understood that warrants had been issued in the court of Ellis Johnston, justice of the peace in Daly City, and later the cases had been transferred to the court of Dr. Smith at South San Francisco. Since then two of the ranch owners had moved up the hill and were operating hog ranches without permits from the supervisors. Supervisor Hickey further stated that as far as he knew there was only one hog ranch owner operating at Colma at the present time under a permit.

District Attorney Swart, who was called into the matter as to the proper procedure, said Dr. F. H. Smith, the county health officer, should arrest all hog ranch owners operating without licenses and have them cleaned out of Colma without delay. The district attorney suggested that the health officer operate in zones, taking most objectionable ranches first, those on the boulevard, and then extend the operations to include those in the outer part of the district. He said he was willing to lend every assistance he could in the matter but that it would be perhaps a month before he would be in a position to help any account of work in his office at the present time.

Acting upon the suggestion of the district attorney and on motion of Thompson, seconded by Hickey, the board voted to instruct Dr. Smith, the county health officer, to make arrests of all hog ranch owners within the next ten days, who are operating without permits from the board.

A communication was received from W. H. Kelly, postmaster of Palo Alto, stating that Weeks and Walnut streets in the Runnymede district were in such condition that the rural mail service had to be discontinued on those thoroughfares. Chairman MacBain, in whose district Runnymede is located, asked Mrs. Nash, the clerk, to answer the communication and inform Postmaster Kelly that there is a road in Runnymede belonging to the county that is not being taken care of and kept up.

Two claims of Mrs. M. Hullings of the Hulings hospital, Redwood City, one for \$10 and the other for \$22.50, being for services rendered, were ordered paid, on motion of Thompson, seconded by Hickey, after having been approved by the finance committee.

On motion of Thompson, seconded by Francis, Antonio Viera of Pescadero was appointed county traffic officer for the sixth township to take the place of Charles Steele, whose resignation had been accepted earlier in the session.

Sheriff Michael Sheehan appeared before the board and asked for temporary assistance in his office. He explained that his jailer had gone to New York to bring back a prisoner and his bailiff had been called to Santa Cruz on business.

On motion of Thompson, seconded by Hickey, it was ordered that the chairman of the board be empowered to hire a man temporarily to assist the sheriff.

At 11:45 the board adjourned till 12 o'clock, at which time the new board convened.

Mrs. Nash proceeded to call the new board to order and call the roll. The members answering as follows: T. L. Hickey, rs. Rosalie L. Brown, John MacBain, Manuel Francis and Dr. C. V. Thompson.

Nominations for chairman being in order Supervisor Francis nominated Dr. C. V. Thompson of Pescadero. The nomination was seconded by Mrs. Brown and Dr. Thompson was elected unanimously.

In retiring as chairman of the old board Chairman MacBain took occasion to thank the members of the board for the assistance and co-operation they had given him during the two years he had presided. Upon taking his seat Chairman Thompson thanked the members for the honor that had again been conferred upon him and said that he would try to preside in a fair and impartial manner at all times. Chairman Thompson then announced that adjournment would be taken until 1:30 p. m.

Chairman Thompson announced the appointment of the following committees for the ensuing two years:

Finance—Francis, Hickey, Brown. County farm and hospital—Thompson, Brown, Hickey. Courthouse and jail—McBain, Francis, Thompson. Supplies—Brown, Francis, Thompson.

A resolution making the Redwood City Standard the official paper of the board of supervisors for the two years 1921 and 1922 was adopted, on motion of Mrs. Brown, seconded by Hickey.

Supervisor Hickey addressed the board in the matter of the death of a Daly City woman—the mother of three small children—at the Lane Hospital in San Francisco. The husband and father was in destitute circumstances and was unable to pay the funeral expenses. Supervisor Hickey explained that he arranged to secure a grave at Holy Cross cemetery without any cost and further arranged for an expenditure of \$50 to give the deceased a decent burial. "It was a very pitiful case," said Supervisor Hickey, "and I believe the county should allow the \$50 expended."

The other members of the board felt the same way about the matter and on motion of Hickey, seconded by Mrs. Brown, the claim of the undertaker was allowed in the above amount.

At the suggestion of Supervisor Hickey the matter of amending the present ordinance providing for an allowance of \$25 for the burial of persons in worthy cases, so as to increase the allowance to \$50, was ordered referred to District Attorney Swart by Chairman Thompson for an opinion.

JOHN LIND HELD TO THE GRAND JURY AFTER EXAMINATION

John Lind, who broke into the Gardiner store last week, had his preliminary examination in Judge MacBain's court on Thursday afternoon. He was held over to appear before the superior court on a charge of burglary. His bail was fixed at \$1,000 cash or bonds in the sum of \$1,000.

Lind is only 19 years old and is wanted in a half dozen places in the state for burglary. Before he came here he committed burglary at Oakland. He made his first appearance in Redwood City and that he had nothing to do with the other robberies committed at the Gardiner store.

Louis Kelly, who is charged with entering to home of J. L. Strang at 28 Claremont avenue, Wellesley Park, on December 20 and removing valuable silverware, was also held over to appear before the superior court on a charge of burglary. His bail was fixed at cash \$1,500 or bond \$3,000.

INTERNATIONAL CHESS PLAYING BY MYERS

B. E. Myers has become an international chess player. By means of Esperanto he will arrange the games with persons in cities the world over. Esperanto, the magazine of the Universal Esperanto Assoc., will contain "Chess Corner" printing problems and giving names of chess players who wish to play. The names of the chessmen in Esperanto are rego (king), damo (queen), kuristo (bishop), cavalo (knight), turo (castle), and peono (pawn). The spaces will be lettered and numbered for easy reference, one corner being a1 and t opposite being h-8. Perhaps the chess players in Redwood could form a club and play a similar group in some other country.

R. H. MILLWARD SUFFERS FROM BITE BY AIREDALE

R. H. Millward, employed by E. D. Heyland, San Mateo, was seriously bitten above the left eye by a large Airedale last Tuesday afternoon as he was in the act of petting the animal at the corner of Second avenue and the state highway. According to Millward, he was walking along the highway and had been followed by the dog for a block or more. The animal appeared friendly and when he stopped at the corner he leaned over and petted it. Without the slightest warning the dog sprang up and sank its fangs in Millward's temple.

Millward went immediately to the Red Cross hospital and was treated by Dr. Chidester, who had to take three stitches in the wound. It was reported later that no serious complications had set in.

Wednesday last week Margaret Rice, daughter of County Recorder T. C. Rice, together with her friend, Miss Lillian Seimas, entertained 18 young friends at the home of the latter in San Francisco. The young ladies had a most delightful time.

M. G. Curtis, a prominent official of the Spring Valley Water Company, was at the court house yesterday greeting his numerous friends. Mrs. Huling has changed her plans concerning the Redwood City hospital on the Middlefield road. Instead of transforming the building into apartments it is to continue as a hospital. Yesterday Miss Grace King, a trained nurse from San Francisco, leased the hospital and will reopen it about the middle of the month. Miss King formerly conducted it and is well known here.

JUSTIFIABLE IF PARTISAN

Members of the Senate having in-
dicated their intention to reject nom-
inations recently made by President
Wilson, and others which he is likely

were selected as representatives of
the democratic party. In almost
every instance where President Wil-
son has been compelled to appoint a
republican he has chosen one who
has been a Wilson supporter. His
compliance with the law has been
purely technical and violative of its
spirit.
But it is not the policies pursued
by the democrats that the republicans
find full justification for their rejec-
tion of President Wilson's nomina-
tions. Throughout the eight years of
his regime President Wilson has se-
lected men of inexperience and in-
competency for positions of highest
importance. With one or two excep-
tions his cabinet appointees have
been extremely unsatisfactory to the
country. Nevertheless, the republi-
cans confirmed these without ques-
tion. In almost every instance where
the President selected for appoint-
ments on bi-partisan boards men who

might be argued that confirmations
should proceed in the regular manner
now. But since there is an immense
accumulation of appointments it is
manifestly the duty of the republi-
cans to withhold confirmation until
President Harding shall have oppor-
tunity to consider the men and their
qualifications. The cry of "partisan-
ship" from the democratic press will
find no sympathy among the millions
of citizens who voted to throw out the
entire democratic administration. The
people voted for a change and they
will uphold the republicans in carry-
ing out the popular will.

EDWARD J. WREN WAS RETIRED AS DETECTIVE

Edward J. Wren, one of the best known detectives in the country, was retired on a pension by the police commissioners of San Francisco on Monday evening.

Wren left here as a boy many years ago and soon after became a policeman. He recently completed his 34 years in the department.

Wren attended the grammar school here and in early days was well-known to all.

Over forty years ago the Wren family moved to San Francisco.

Wren appeared in many important cases. One of the most important captures was that of the Mike Dolan gang, following the assault made by them upon Mrs. J. Matthews in Haight street eighteen years ago. It was through the work of Dolan and Wren that the leader of the outfit and Docia Nolan, William Gilmore and Bernard Whitelaw were placed behind the bars. He also handled the case of the murder of Policeman George Robinson, bringing about the arrest of such characters as "Leadville Jimmy" Courtney, Allen (Kid) Goucher, "St. Louis Pat" Kaufman, Frank Hendricks, and "Yellow" Kennedy. It was Wren who discovered the mystery of the murder of Eva Swan, whose body was found buried in a basement and brought about the arrest and conviction of Dr. Grant. With Detective Ed. Gibson, now dead, Wren worked on the famous Theodore Durrant murder case. Eight years ago he broke up the Shea gang of thugs.

"In behalf of the commissioners and the officers and men of the department, I want to express the regret we feel upon seeing you leave the department," said Theodore Roche, president of the commission, in granting Wren his pension.

JUSTIFIABLE IF PARTISAN

Members of the Senate having indicated their intention to reject nominations recently made by President Wilson, and others which he is likely to make, the Democratic press has seized upon this as an occasion to raise the cry of "partisanship." It must be admitted that the facts give a sufficient color to the charge to require careful consideration. It will be remembered that when the democrats came into power eight years ago republican nominations were held up until President Wilson had opportunity to make nominations to fill the positions. The republicans charged "partisanship" and it is pertinent to inquire whether circumstances are the same today that they were then.

The election of 1912 was not a democratic victory nor a republican defeat. The fact is that there was a split in the republican party, a portion of the republican vote being recorded for the progressive candidates with the result that the democrats won by a plurality, although by a minority. The democrats had no such overwhelming endorsement of the people as that which the republicans have today.

During republican administrations when a law required bi-partisan representation on commissions, republicans observed both the letter and the spirit of the law, appointing men who were democrats in reality when they

were selected as representatives of the democratic party. In almost every instance where President Wilson has been compelled to appoint a republican he has chosen one who has been a Wilson supporter. His compliance with the law has been purely technical and violative of its spirit.

But it is not the policies pursued by the democrats that the republicans find full justification for their rejection of President Wilson's nominations. Throughout the eight years of his regime President Wilson has selected men of inexperience and incompetency for positions of highest importance. With one or two exceptions his cabinet appointees have been extremely unsatisfactory to the country. Nevertheless, the republicans confirmed these without question. In almost every instance where the President selected for appointments on bi-partisan boards men who were not fairly representative of the republican party, the republicans laid aside their partisan feelings in order that the administration might have the assistance of the type of men they desired. It will scarcely be disputed by anyone, whether republican or democratic, that public service has suffered in the extreme because of the character of appointments President Wilson has made. In view of the record it is but natural for the people to look with suspicion upon any nomination that may come from President Wilson's hand.

Moreover, for many months past the President has neglected to fill vacancies. Positions on boards of utmost importance have gone unfilled until the closing days of the administration. If appointments shall be made and confirmed now, the appointees would hold through practically all of the republican administration. President Wilson has apparently attempted to gain partisan advantage by leaving positions vacant until near the close of his term. That was the beginning of a species of partisanship which the republicans are under obligations to defeat. If the filling of public positions had proceeded in a normal manner it

might be argued that confirmations should proceed in the regular manner now. But since there is an immense accumulation of appointments it is manifestly the duty of the republicans to withhold confirmation until President Harding shall have opportunity to consider the men and their qualifications. The cry of "partisanship" from the democratic press will find no sympathy among the millions of citizens who voted to throw out the entire democratic administration. The people voted for a change and they will uphold the republicans in carrying out the popular will.

CHOICE HOME WAS SOLD

TO W. J. WALKER

The Mary F. McDevitt place on the foothills back of Wellesley Park, overlooking the valley and bay was sold this week by Mrs. George Underhill to W. J. Walker, a capitalist of Seattle, who is to improve the property. It consists of four acres and a splendid residence. The place was the home of the late Mary F. McDevitt, who left it to her daughter, Mrs. Underhill who has held the realty for some years. Its location on the sloping sunny hills makes it an ideal spot for a country home. A fancy price was paid for the property.

MENLO PARK NEWS OF ALL SORTS

The famous choir of St. Patrick's Seminary will make their first appearance in public concert on next Monday evening, January 3, in the colonial ballroom of the St. Francis Hotel, San Francisco, for the benefit of the Catholic Big Sisters movement for the care of working girls.

The proceeds will form the nucleus of a fund to acquire a suitable club and home for young women who are in need of spiritual and temporal aid. Rev. Francis McElroy of 832 Fell street is in charge of the affair which promises to be one of the most entertaining concert lectures ever heard in San Francisco.

Not only will be beautiful trained voices of the vested choir of the seminary be heard in choice selections of the plain chant of the church interpreted as it should be, but additional interest is attached to the concert by the announcement that the Rev. Edgar Boyle of San Anselmo will appear as soloist of the occasion. His exquisitely trained voice will be heard in several masterpieces of Gregorian music.

As if this were not richness enough for any musical treat, Father McElroy has secured the services of Redfern Mason, one of the leading critics of music in America, whose learned and charming contributions to the Examiner are so much admired, to explain and interpret to the audience the different parts of the liturgy exemplified by the choir of St. Patrick's seminary.

The choir will be under the direction of Rev. B. Marcotteau, S. S., who is responsible for the lovely voices and high standard of singing at the seminary where ecclesiastical music is heard in all of its original beauty and simplicity.

Father Marcotteau will be assisted by Rev. John Ouard, S. S., as concert master. Rev. Raymond Tilford will be organist.

Not only the music lovers of the city but all interested in the great undertaking of Father McElroy in behalf of the boys and girls of San Francisco who need a kindly, helping hand, should regard the concert room at the St. Francis Hotel next Monday evening until Mr. Coleman hangs out the S. R. O. sign.

Mrs. Atherton Macdonald and her daughters, Misses Mary Elena and Ynez Macdonald, are again at their new home in Atherton. They have been passing the holidays in San Francisco.

Antone La Grave, a nephew of Mrs. M. Larrecou, passed away the city recently following a short illness. The deceased was well known here, having visited his aunt frequently.

The Las Omilas grammar school will open next Monday for the spring term.

The Native Daughters will give a card party in Duff & Doyle Hall on January 10. Good prizes will be given to the lucky winners.

Mr. and Mrs. H. J. Readeau had for their guest over the holidays their stepson, C. W. Towne. Mr. Towne is general manager of the famous Kuliola Native Hawaiians, spectacular musical performers. He is very much pleased with Menlo Park and surroundings and would like to live here permanently.

During the week temporary work was begun at the base hospital. Not only were all the idle men in town employed, but many others from adjoining cities secured work. Many are finding accommodations at the popular Oak Grove Villa.

The following orders were conferred on students of St. Patrick's Seminary by Most Rev. Archbishop Hanna on December 17 and 18: Thomas was conferred on Daniel L. McElligott, John I. Moreton, William J. Hennessey and Alonzo McHugh.

The orders of Porter and Reader on Valentine F. Austin, Frederick P. Zales, Daniel L. McElligott and William J. Hennessey.

The orders of Exorcist and Acolyte on Thomas A. Edwards and Edmond J. Murnane.

The Subdiaconate on Robert Dillon.

The Diaconate on Noel P. Dillon and Louis J. Miller.

Herbert C. Pife has sold his place at Menlo Heights with about 1,500 fine chickens to K. B. Knudsen. The property was originally owned by Mrs. Gertrude Carroll. The new owners will extend it to a larger plant, being so well pleased with this locality as a good district for the poultry industry.

Andrew Walsh, young son of Mr. and Mrs. M. H. Walsh, arrived home from the east on Monday last. He was discharged from the United States navy in New York after completing his term of four years. Young Walsh has been around the world. During the war he was on the cruiser Johnston that conveyed the soldiers across the Atlantic to the battlefields of France and saw many exciting scenes during those stirring times. He will not re-enlist. Mr. Walsh is tired and weary of travel and intends to settle down to a quiet life amid the scenes of his boyhood.

The old Hammerson blacksmith shop on Santa Cruz avenue is being wrecked by its new owner, W. B. Orton. It was erected many years ago and was a landmark, but since the advent of the automobile it has lost its usefulness. It will give way to a modern structure.

Dr. Whitewolf was tendered a reception by his friends at Trinity Hall on Tuesday last on the anniversary of his birth. He had reached the age of 78 on that day. He is still hale and hearty and bids fair to live for a great many years. A nice program was rendered at the hall, after which refreshments were served. The doctor delivered an eloquent reminiscence speech.

Captain Olsen, who is being sued by his wife in San Francisco for a divorce, recently purchased the National Defenders' Club house at Atherton. Last year he resided in the Logan home.

Duncan Reynard and Miss Cathryn Smith were married at the home of the bride's parents last Wednesday evening by Father Walsh. John Reynard acted as best man, while the pretty and charming bride was attended by her sister, Rosalie Smith. The wedding was a quiet affair, only the immediate families of the contracting parties being present. The young couple are spending their honeymoon at Monterey. Mr. Reynard is the manager of the Pacific Gas and Electric Company's office at San Mateo. Mr. and Mrs. Reynard will reside here temporarily. They will make their permanent home in San Mateo.
